THE VILLAGE

Saint-Omer is a small village in the **Calvados departement** with hardly 200 inhabitants in the heart of '**La Suisse Normande**'.

Nevertheless, this charming spot attracts a lot of visitors from home and abroad.

GR 36, which runs through the village, was voted as favourite GR route of 2023.

There are lots of **hiking** and **cycling** routes. **Motorcyclists**, **nature lovers** and **trail runners**, ... enjoy the village.

The **paragliding school** (250 m from our house) is, for more than 20 years, based in Saint-Omer.
It offers duo jumps and courses for all levels, guided by experienced, passionate and enthusiastic instructors!

~~Opposite the paragliding school is a sympathetic restaurant **'La Gavotine'**.~~
